

AN ancient astronomer predicted that when Good Friday falls on St. George's day, Easter on St. Mark's day, and Corpus Christi on St. John's day, this poor unprotected world of ours would be knocked into smithereens by an irregular comet. This remarkable conjunction takes place this year? The insurance companies, in the absence of further proof, have not felt justified in raising the rates as yet.

This is what the Philadelphia *Times* says about the local newspaper:

"The New Year is a good time to consider the generally overlooked claims of the local newspaper. It is the most useful and least compensated and appreciated of all the agencies which stamp the impress of progress upon villages and inland cities. Without the local newspaper, local towns are, as a rule, thriftless and tend to decay.

"It is common for small great men to speak with contempt of the local newspaper. In that they imitate the critic of greater journals which offend by manly criticism; but the village newspaper makes more great men of less material—more bricks without straw—than any other factor in politics, and it is the one ladder on which men climb to local distinction as the beginning of wider fame.

Notice.

Sealed proposals for keeping the toll at Marlin's Bottom by the year will be received by the undersigned Superintendent until the 20th day of February, 12 M., 1886, either for a given sum, or for a certain per cent of the tolls, or pay the county a certain sum and have all tolls, subject to rates fixed by the County Court or by law. Proposals to be submitted to the County Court at the March Term next for confirmation and contract or rejection.

DIED.—Mrs. Sarah Burr, on Friday
morning, the 12th inst., at her home
on Brown's Mountain, aged 84 years.

—Dr. J. B. Lockridge, of Edray, was
in to see us Tuesday.

—Enos Martin, who was tried in Al-
leghany county Va., recently, charged
with murdering his child, was found
guilty of murder in the second degree
and sentenced to six years in the Peni-
tentiary at Richmond. A bill of excep-
tions has been filed by Gen. Skeen to
appeal it from the County Court to the
Circuit Court.

—We have received a copy of a little
pamphlet of 80 pages entitled "Tobacco:
How to Grow and Cure it," which
gives a vast information to the tobacco
growers. As we are out of the business
of raising tobacco, we will with pleas-
ure present anyone of our patrons who
grows the weed, with the pamphlet, and
advise others to send to Southern Fer-
tilizing Company, Richmond, Va., and
receive one of those helps in producing
the much used weed.

—The Highland Recorder says a man
claiming to be "a dealer in blooded
stock from Ohio," and later on as a
detective passed through that county
recently in pursuit of the horse thieves
who passed through this county, and
at top of Alleghany produced papers
showing his "authority" and claimed a
fine horse which the thieves had traded
to Mr. Collins, as stolen property. This
same man will turn out to be a worse
thief than the others.

—We had no mail from the Warm Springs on Tuesday night. The mails missing on that route have become too frequent. If the contractor cannot put force enough on the road to render efficient service, let him throw up the contract in the interest of some one who will ask a living salary for his services and be able to carry the mail to the entire satisfaction of all. High Water, and no mail on Satur-
day last—all on account of there being
no bridge across Knapp's creek. I un-
derstand there will be steps taken at
next County Court for building a bridge
across Knapp's creek near H. P. Mc-
Glaughlin's. Brethren, think seriously
over the matter and give us a bridge so
we can get to the county seat any time.

We will have another railroad some
of these days; so let us have good roads
and bridges that it can get in.

Some of our roads are in a very bad
condition and should be better worked
this year than last.

The lumbermen have their logs most-

Hillbore Happenings.

Mrs. Mary Sydenstricker and Mrs.
Preston Clark paid a short visit to rel-
atives at Frankfort, Greenbrier Co.,
last week.

Miss Jennie C. Bell has been quite
ill with diphtheria the past week.

Mr. E. I. Holt is visiting his—oh! I
was just about to tell relatives at Min-
go Flats, Randolph Co.

Messrs. Will and Alpheus Pollock
have returned from a trip to Elmira,
Va.

Valentines have been going the
rounds this week. One man in town
got one which it is positively danger-
ous to talk to him about.

Master Rudolph Thompson has been
quite ill the past week with fever.

Those from a distance enrolled as pu-
pils at Prof. Brown's school at Hillbore
Academy are Messrs. Walter Anderson,
John Snedegar, from Hills Creek, and
Mr. J. Andrew Peter, Shenandoah, of
Frost.

Miss Mary Anderson's school at the
Harper School-house closed last Friday,
and she is now teaching in Mr. Frank
Harper's family.

Master Clarence Overholt lost both
his dog's, Jeff, his Newfoundland, and
Bowser, by getting a dose of strychnine.
Clarence has our sympathy for his loss
of Jeff which he had taught many little
tricks.

Our Delegate.

When we arrived home we found
 a communication here written from
 Academy favoring a Webster coun-
 ty man for House of Delegates. We
 could agree with him that Web-
 ster county is entitled to the dele-

Green Bank Convention.

Pursuant to call of the Democrat-
 ic Executive Committee the conven-
 tion met on the 14th inst., and S.
 B. Hannah was elected Chairman
 and C. O. Arbogast, Secretary. On
 motion the chair appointed Wm.
 F. Arbogast, Dr. C. L. Austin, R.
 B. Kerr and Wm. Sheets as a com-
 mittee to suggest the names of ten
 delegates to represent the district
 in the convention to be held at
 Huntersville Aug. 20th, who after
 consultation recommended the fol-
 lowing named gentlemen:

Dr. J. P. Mooman, J. W. Riley,
 N. B. Arbogast, O. F. Moore, Jessie
 Patterson, Claiborne Ashford, C.
 A. Lightner, Chas. Pritchard, Wm.
 B. Hudson and J. P. Wooddell.
 On motion the Chairman, Secretary
 and Committee were added to the
 delegation and Daniel Wilfong and
 Wm. Cassell were appointed alter-
 nates.

On motion it was decided that
 any one or any portion of the dele-
 gates in attendance at the conven-
 tion are authorized to cast such
 vote as the district is entitled in
 joint convention.

On motion the delegates were in-
 structed to request that each dis-
 trict in this county shall be entitled
 to a vote in joint convention in pro-
 portion to their Democratic
 strength.

On motion Adjourned.
